- FY 2026 Budget Discussion

The reduction in the budget was because of a design change that was negotiated with the health insurance plan. The options for the remaining deficit are to request an override, propose cuts, use free cash or increase the trash fee above \$200. Mr. Strange will suggest using free cash at his budget presentation. The conservative free cash estimate is 4 million. Mr. Sanches read off the requests that Capital Improvement approved and denied totaling 1.4 million.

Motion made by Ms. Lombardi to approve minutes from February 19th as written. Mr. Kelly second. Motion passed 6-0-2.
