Discussion was held on the Whitney Park #1 diamond. Residents complaining that baseballs being fouled into their yard. Concerned about their safety when utilizing their property when a game is being played.

Jamie Tomas suggested some ways to alleviate the balls going into the neighbors yards. He stated that he looked into a net system to extend the backstop, to put up a net along the fence or to raise the backstop. He is to get back to the Boards with pricing.

Also discussed was the request for a TRPL THR3AT event sponsored by Gabrielle DeNae, business owner in town for June 1st. This will have food trucks, pop up tents for vendors, and a block party with music from 7:00-9:00pm at the gazebo. The Recreation Commission had some concerns about the timing and the size of the event. The Board of Selectmen have concerns about the event as well and stated that they would like to have Ms DeNae come to a meeting to explain the event in more detail. They also stated that it is too short of a time period and will suggest (if granted) changing to a future date.
