Information Sheet

Special Permit / Estate Lot

What is the purpose of a Special Permit?

Special Permits are intended to provide detailed review of certain uses and structures which may have substantial impact upon traffic, utility systems, and the character of the Town, among other things. The Special Permit review process is intended to ensure a harmonious relationship between the proposed development and its surroundings and ensure that proposals are consistent with the purpose and intent of the Zoning Bylaw. (7.0.1)

Does this require a public hearing?

Yes. This is not waivable.

How long can I expect this to take?

A public hearing must be held within 65 days from the date of filing. The Planning Board must take action on the Special Permit within 90 days of the last session of the hearing. These time limits allow the Board to receive input from various other boards and committees as called out in the Bylaw.

(7.0.3.a) Once the Board's decision has been filed, there is a 20 day appeal period before the Special Permit can be finalized.

What is required for this Special Permit?

The full list of requirements is available in the Bylaw. (7.0.4)

What do I have to submit and where?

You must bring two complete application forms to the Town Clerk's office to be stamped in. The Clerk's office will retain one copy. The other copy of the application must be brought to the Planning Board office along with the fee in force at the time of filing, a copy of the deed & property card for the property, and a list of abutters (acquired from the Assessors' office). (7.0.3)

What else do I need to know?

Once your Special Permit is ready for pick up, you must get it recorded at the Registry of Deeds.

Failure to get it recorded will result in you needing to start the process all over again. The permit will expire after one year if substantial use has not commenced without good cause. (7.0.5)

SINGLE FAMILY DWELLINGS ON ESTATE LOTS CRITERIA CHECKLIST

The purpose of this regulation is to allow for the creation of lots for single-family dwelling units only, with less than the required frontage, in exchange for increased square footage, for the purpose of preservation of open space and decreasing density in given areas.

Single-family dwellings on estate lots shall be permitted in the Agriculture and Residential A districts only upon the issuance of a Special Permit from the Planning Board as specified in Section 7.0 of this bylaw, and in accordance with the additional requirement specified herein, unless waived by the Planning Board.

1. No more than two consecutive estate lots shall be located on a public way.
2. The estate lot(s) shall have a minimum street frontage of not less than 50 feet and access width of not less than 50 feet from the front lot line to the principal structure. The front lot shall meet all the zoning dimensional requirements normally required in the district.
3. An estate lot(s) shall be double the minimum lot area normally required for that district inclusive of the access strip.
4. An access strip that is accessible having a maximum length not exceeding four hundred (400) feet.
5. The width of the lot where the principal building is to be constructed shall be equal to or exceed the distance normally required for street frontage in the district.
6. Front, rear and side yards must equal or exceed those normally required in the district.
7. The Planning Board may require that there be maintained or kept a naturally occurring or a planted vegetated buffer strip between estate lot(s) and adjacent lots to provide effective visual screening between the buildings at grade level.
8. The estate lot entrance/driveway shall be clearly designated with a house number sign. Mailboxes shall not suffice.
9. The driveway is to be located, constructed, and maintained a distance of no closer than ten (10) feet to any abutting property line.
10. Plan submitted shall include the statement, " Lot (fill in the Lot #) is an Estate Lot; building is permitted only in accordance with the Special Permit Estate Lot provisions of the Ludlow Zoning Bylaw."
11. Permit shall run with the property and not with the applicant.

I have read and understand the above Estate Lot Criteria.
