OCPF Note of Clarification:

This form is designed for the convenience of candidates and local election officials on the municipal level, for those candidates who have no financial activity.

By filing this report, usually in January, the candidate is making a declaration that there will be no financial activity in the calendar year in which it is filed. By filing this report, the candidate is exempt from filing pre-preliminary, pre-election, post-election and year-end reports for that year, because each of those reports would show zero activity.
